THE YOUNG ONE IS ALWAYS BRAVE!
WHOOSH
THAT WAY IS TO LORD AUSTIN'S CASTLE.
AS YOU PROMISED,
WHOOSH
YOU MUST LET ME CUT YOU THREE TIMES.

WHOOSH

He disappeared?
WHAT THE HECK!? HE MUST'VE USE BLACK MAGIC TO PLAY WITH YOU!
ARE YOU GOING TO LISTEN TO HIM?
WHATEVER IT TAKES,
I MUST KEEP MY PROMISE.
ARE YOU CRAZY? HE'S GOING TO CUT YOU THREE TIMES, NOT STAB YOU THREE TIMES!
DO YOU WANT TO LIVE ANYMORE?

ARE YOU WORRIED ABOUT ME?
HMPH! IN YOUR DREAM!
THEN COME WITH ME TO THE CASTLE!

WELCOME!
THE COUNTESS OF AUSTIN
THE EARL OF AUSTIN

Wow, Lady Austin is so beautiful! Especially her eyes!

It's like a vast clear blue sky, mesmerising every person's soul...

But when she saw Arthur,
why do her eyes only focus on him?

Lord Austin told Arthur that the knight we met would meet him in the next three days. So for now, we'll stay in the castle...
Hm, he even wants us to wait for him in three days. Is he playing with us?

On the second day, the earl went hunting in the morning. He promised Arthur that he would trade the animal he caught for objects...

But Arthur didn't ask about it in detail..
Why do people in the castle talk too much? And Arthur just agrees on everything?

That kid Arthur, he's usually very smart. But why is he stubborn now?
And they keep exchanging glances. It makes me mad!
I can't control them anyway. I'm going to the garden then!
These flowers are so beautiful. They're so soft, and look like they're dancing under the sunlight.
HAVE YOU SEEN THIS TYPE OF FLOWERS BEFORE?

Wasn't she in the castle? How did she come here like in a flash? So weird....
THEY'RE CALLED LONICERA JAPONICA THUNB. ACCORDING TO LEGEND, IT REPRESENTS THE JEALOUSY OF GODDNESS OF FLOWERS TURNED INTO...
THAT'S WHY IT'S THE FLOWER OF LONELINESS...
IT'S MEANING IS.....WAITING.
DON'T YOU THINK ITS MEANING IS TRAGIC?
TRAGIC?

I DON'T THINK SO!
IT'S ACTUALLY OPPOSITE. I FEEL THEY'RE BEAUTIFUL.
AS LONG AS YOU HAVE HOPE AND NEVER GIVE UP THEN YOU CAN KEEP WAITING.
ISN'T IT RIGHT?
BECAUSE IF THERE'S HOPE THEN WAITING IS FINE...
IT SOUNDS RIGHT TO ME.

It took my morning to hear about that Lonicera japonica Thunm!
No. I've been thinking over and over again. I must tell Arthur to leave this place!
